THE PERSON BEHIND THE NUMBERS

VALUES & DRIVES

- Knowledge is virtuous only when held with humility.
- Foreknowledge creates obligation, not superiority.
- Teaching should enlarge another person's agency.
- Keep moving before comfort becomes moral sleep.

FEARS & WOUNDS

- Ilse's death remains an unresolved question.
- Confusing caution with wisdom.
- An old childhood terror of fire.
- A Portent he cannot ethically bear.

VOICE & MANNER

- Qualifies claims carefully and sincerely.
- Uses warmth to open difficult conversations.
- Laughs easily until cruelty enters the room.
- Anger appears as narrowed quiet.

LOYALTIES

- Ilse, carried in letters and method.
- Students who ask hard questions in good faith.
- Ordinary people under extraordinary pressure.
- Companions who keep uncertainty honest.

INTERNAL CONTRADICTION

Hendricks believes autonomy is sacred and still suspects it killed someone he loved. Divination gives him leverage over events, but no release from conscience.
