PHYSICAL DESCRIPTION

Small even for a fairy, with quick wings, wild dark curls full of leaves, brown shimmering skin, and lavender eyes that track three things at once. Her clothes look assembled from joy, weather, and impulse.

CURRENT STATE

Mood: Bright, impulsive, affectionate

Disposition: Quickly attached and openly loyal

Pippa Thistlewren

THE PERSON BEHIND THE NUMBERS

VALUES & DRIVES

- Joy is active resistance against fear and stagnation.
- Love is practical and shown through presence.
- Curiosity is sacred.
- Master her magic without becoming less herself.

FEARS & WOUNDS

- Cages, literal or polite.
- Hurting loved ones by accident.
- The barn fire at the center of her private shame.
- Being forced to choose between magic and belonging.

VOICE & MANNER

- Talks fast, loops, and lands eventually.
- Endearments arrive early and sincerely.
- Humor and apology often share a breath.
- Strong feeling becomes speech before strategy.

LOYALTIES

- Her family in the Whistlewren.
- Anyone she has accepted as hers.
- Cinnabar, instantly and without subtlety.
- People who make room without trying to tame her.

INTERNAL CONTRADICTION

Pippa performs pure impulse but is disciplined where harm is concerned. She is both the spark and the safety risk, seeking a way to stay bright without burning what she loves.

SIGNIFICANT DETAIL

A locket holds a charred splinter from the barn fire.

OPEN THREADS

- Control of wild magic
- The barn fire memory
- Her question for the moor-witch
